

Proposed Board of Directors - 2022/2023

DAVID SUDBURY

Board President - Elected in 2020

David is a long-time resident of Ajax and a retired business executive. He was formerly the CEO of Securefact Inc., a compliance software company and previously held executive positions with Honda Canada and Honda Canada Finance, where he worked for 30 years. Sudbury has held several Board Director roles, notably with the Central East Local Health Integration Network where he served as Vice-Chair. He is a retired member of the Institute of Corporate Directors and the Financial Executives Institute. David is also a member of the Finance, Audit and Risk Committee of the Board.

HELEN BRENNER

Director - Elected in 2021

A long-time resident of Pickering, Helen is a retired RN/MBA and senior health care executive. Throughout her career Helen focused on introducing new and innovative strategies to improve quality of care and the overall health care experience for patients and caregivers. In particular she is proud of being one of the first to lead the introduction of genuine patient engagement through the use of experience-based co-design.

Helen brings with her strategic, operational, business and financial expertise, past board experience, and extensive experience working/partnering with a broad range of stakeholders including senior health officials, board members, patients, caregivers, volunteers and community stakeholders to name a few.

Helen is a passionate gardener who has great respect for nature and as such advocates to protect our local wetlands, watersheds, natural heritage systems and agricultural land

JENNIFER CREE

Director - Elected in 2007

Jennifer is long-time resident of Ajax. She worked in a community-based agency for 18 years and now works with her husband as the bookkeeper of their publishing company. Jennifer finds time to volunteer at her church and in the community. Jennifer has been

actively involved on the committee for the Community Care Durham Walk for Mental Health and has held numerous positions on the board. Jennifer enjoys scrap booking, crafts, and gardening. She and her husband have three children.

LORRIE HAGEN

Director - Elected in 2021

Lorrie and her husband, Adam, have raised their family (daughter, son, and dog) in Whitby and have enjoyed seeing it grow over the last 20 years. Ms. Hagen is the Executive Director of The Charles H. Best Diabetes Centre (serving all of Durham) since 2017, where she provides hands-on leadership to the clinical, administrative, and fundraising teams. She is currently co-leading their first-ever capital campaign, since doors opened in 1989, to patients living with type 1 diabetes. Her professional experiences include 20 years in acute healthcare as both a clinician (Registered Dietitian), Nursing Manager and Senior Manager for the Transplant and Medical Specialties units at The Hospital for Sick Children, Toronto. In 2013, Lorrie completed a master's degree in Health Administration (MHSc) from the University of Toronto, Institute of Health Policy, Management and Evaluation.

Lorrie has enjoyed volunteering her time with a variety of projects and places over the years but is particularly excited to be bringing her energy and unique skill mix to the CCD Board. She is passionate about the intersection of community care and health care as it relates to the positive impact and outcomes for our people and their families

JEAN-CLAUDE LEGAULT

Director - Elected in 2022

Jean-Claude is a retired Whitby resident who used to work with Property Management and Business Development. He has experience with Bell Canada, Bell Canada International (Saudi Arabia), SNC Lavalin, and JCE Consultant Quality Management.

He has previously served as the Past Chairman of Northern Ontario Canadian Paraplegic Association, the Past President of Community Living Oshawa Clarington and the Past Chairman of the Ontario Knights of Columbus Substance Abuse Poster Contest.

He learned of CCD by being a Meals on Wheels volunteer and providing music to the Adult Day Program. CCD's objective of supporting people in whatever their individual needs, is what attracted his interest with the CCD Board of Directors.

Jean-Claude and his wife, Elaine, enjoy activities with their family of 4 children and 5 grandchildren. He provides volunteer music therapy wherever he is needed particularly to the clients of Community Living Oshawa-Clarington. He is also responsible for the musical liturgy of the Saturday mass of Paroisse Assomption de Notre Dame. He is a part-time driver for the Seniors Activity Centre (CAH) and holds various executive positions with the Knights of Columbus. Jean-Claude and his wife are also the Ontario representatives of the French Cursillo mouvement (religious retreats).

FAYRIAL LEUNG

Director - Elected in 2022

Fayrial resides in Whitby with her husband, their two children and their puppy. Her career in the healthcare sector has evolved through the years—starting as a Kinesiologist, then moving into senior leadership roles, and to her current role contributing to innovation excellence. She leverages her experience with operations, technology, and strategic planning to help inspire continuous improvement and achieve better outcomes and experience for the people involved. She has also recently completed a Master's Degree in Health Administration (Community Care).

Fayrial also serves on the Board of Directors for Durham Children's Aid Society as they shift their efforts toward prevention and supportive services through child welfare re-design. She is also a co-founder and Program Director for the Pickering Challenger baseball league serving children and youth with physical and/or cognitive challenges.

Fayrial is excited to share her skill set and experience to help support CCD in their important and impactful work, especially with a lens on the intersection of health and social services to provide integrated and holistic solutions that contribute to improving population health in Durham.

MAY LEWARS

Director - Elected in 2020

May, a Whitby resident, is a communications professional with more than 20 years of experience in the broadcasting and communications industry.
