

Friendly Visiting

Seniors and Adults (16 +)

Overview

Seniors and Adults (16 +) are matched with one of CCD's Friendly Visiting volunteers and receive much-needed social interaction, so they can maintain their independence and quality of life while safely remaining in their home. The volunteer offers companionship regularly with a face-to-face visit or telephone visit at a mutually agreed upon time. Visits are usually 1 to two hours in length and take place in the client's home.
